The Office of the Clerk of Commission is pleased to announce the unveiling of the new Commissions, Authorities and Boards website. This site will provide individuals who are interested in serving in various capacities with the ability to submit Talent Bank Questionnaire forms online. The intent in deploying this solution is to improve public access and participation by providing up-to-date information about Augusta-Richmond County's Commissions, Authorities and Boards and their respective members.

The revised site includes information pertaining to the composition of the various commissions, authorities and boards, the mission and function of each board, the current members and their contact information, meeting dates and times, etc.

For more information, please contact the Office of the Clerk of Commission, at 706-821-1820.
